

To my fellow Officers, Committee members past and present, East Cork Clubs, Athletes & Friends.

A heartfelt thank you to everyone for marking my 50th anniversary with East Cork Athletics Board. It was something I hadn't expected and I want to thank you all for marking the occasion. The role of treasurer is one I began 50 years ago and being honest I do not know where the 50 years have gone. The years roll by quickly and I am honoured to be part of an organisation that promotes health & fitness in our beloved East Cork from Juvenile to Senior level.

There has been many challenges over the years but equally many rewards witnessing some amazing athletes win championships at grass roots and continue their successes to a national and internationally level. I am honoured to be part of this organisation in helping promote positivity in sport. The success is mainly due to the dedicated and hard working people associated with the Board since its foundation.

Wishing the organisation every success in the future and to continue to promote athletics at all ages.

Thank you once again.

Yours in Sport

William O Mahony

Hon. Treasurer
